After Graduating The Australian Film Television & Radio School in 2001, I have solely freelanced as a Location Sound Recordist specialising in Film and Television Drama. Whilst equipped for large Drama shoots and experienced as a HOD in charge of a small team, I'm equally confident on solo jobs recording Interviews, Corporate Shoots and TVC.

- Over 15 years experience in drama recording
- Compete drama sound kit
- Dedicated van with custom location sound fit out
- Positive 'can do' attitude

SA based, but happy to travel and work elsewhere in Australia
