Hair / Makeup Artist

AGENT: Adelaide Crew 0418 804 798 (Julie Lewington)

adelaidecrew@bigpond.com

PROFILE:

Fully qualified Hair and Makeup artist, specialising in TVCs, FILM 'dailies, Stills, OPERA and all Makeup and Hair.

-Having completed a **Hairdressing apprenticeship** (incorporating beauty therapy and **wig skills**) in the early 80s, I became **adept at all facets of hairdressing**. I then worked as a salon manager between travelling extensively (living & working in the UK/Europe, Asia and America) until 1988.

-On returning to SA, I embarked on a fulltime, **1 year Makeup Artistry Diploma**; this led to continuous work on the numerous **miniseries/films being shot in SA at the time (many requiring period hairstyling)**

-I also worked on a casual basis at Channel 7 for over 6 years doing news/promos and Wheel of Fortune - great grounding for quick efficient 'makeovers'!

-Following were years of **film, fashion, TVCs, & stills**, rich in fabulous experiences...

-I also completed a **diploma of Aromatherapy** and Phytotherapy, and massage at this time. IN 2015 I also received my parchment certificate of qualification in **Interior Design**. I am presently studying ART part time at Central school of Arts.

-In recent years, due to family circumstances, I have presented myself mainly for **TVCs & stills**, and for 'additional days' on **Features / TV Series**.

-I have extensive experience in desert (outback) & beach locations, and am fully mobile, carrying my own portable makeup/hair station (also a selection of gas appliances where power is unavailable).

-I can also do **Standby wardrobe** for a small number of cast, and carry an iron/board /clothes steamer and a mend kit.

-I am very experienced in **Hair and Hair appliances and all aspects of Makeup**, and regularly update my skills by attending workshops & seminars (often interstate).I also do Special Effects

Following is a resume of some of my work ... (film work next page)
