### **Summary**

**I have comprehensive experience in the position of Unit Manager and consistently deliver high quality results in this role. I have worked on a wide range of productions, including feature films, large-scale television series and national and international television commercials. I have also worked in art department and vehicles department on feature films, demonstrating that I have a diverse set of skills and understanding of the film making process.**

**I own my own unit truck, complete with gear capable of easily accommodating 100+ cast and crew members. I have experience in managing the needs of cast and crew in extreme conditions, including in peak summer at locations such as Marree and Lake Gairdner.**

**My standard duties as Unit Manager include:**

- **Maintaining Unit**
- **Managing unit budget**
- **Cash handling**
- **Stock purchasing**
- **Composing mud maps for unit locations for call sheet**
- **Selecting unit base locations**
- **Managing unit assistants**
- **Liaising with property owners**
- **Unit vehicle maintenance & onsite repairs**
